

Family Day Challenge 2021

Oh no! Someone has stolen our Community Spirit! Can you discover where they have hidden it?

Visit the empty dots on your map that look like this:

At the location of each empty dot, there is a puzzle you must solve to figure out what number goes in the empty dot.

(Do not visit the black dot locations)

When you have all the dots labeled, connect the dots in order (both the black and white dots) to recover our Community Spirit and return it to the people!
